Centrum Elektryczne “Ania” Boguccy Sp. z o.o. Sp.k. respects the right to privacy of Users of our Website and applies appropriate technological solutions preventing third party interference in privacy of Users. This policy contains basic information on use of cookies in our Website.

Cookies

Our Website uses cookies. Cookies are IT data (usually in the form of text files) stored on User’s end device to read it again during every connection to the Website from this end device. Cookies are set up at “entry” and “exit” from the Website, are not used for establishing identity of Users and do not affect operation of end device or its software, and do not have a negative impact on its functioning.

Cookies are used to:

- a) optimise displays,
- b) confirm statistics concerning the Website,
- c) enable logging on by User to the Website and maintain the so-called session, in the result of which it is not required to log on again at every subpage of the Website,
- d) confirm that a message about cookies was displayed to User of the Website,
- e) identify end device of User to display the Website in the mobile version in case User uses a mobile device (e.g. a smartphone),
- f) survey preferences of Users of the Website to adapt our products and services and to present them on the website in the manner corresponding to these preferences.

The Website uses the so-called own cookies (they are put and accessed by Centrum Elektryczne “Ania” Boguccy Sp. z o.o. Sp.k.) and the so-called third-party cookies (they are put by third-party entities). You can learn more about cookies at <http://wszystkoociasteczkach.pl> (Polish language) and www.aboutcookies.org (English language).

Specification of conditions of storage and obtaining access to information contained in cookies.

Users may specify conditions of storage and obtaining access to cookies in settings of their web browser. In principle, individual web browsers enable completely or partially turning off the possibility of storage of cookies in User’s device. It is possible that in the consequence of completely or partially turning off the possibility of storing cookies in User’s device not all our applications will function correctly

and that access to the chosen tabs will be lost. Information on settings concerning cookies, including the functions of storage of cookies in a device is available in options, settings, preferences of used web browser. In case of any doubts or to obtain detailed information, choose “help” option in your browser.

Permission to store cookies

Storage of cookies and obtaining access to them requires User’s permission. Such permission may be expressed through settings of web browser. Enabling settings of web browser allowing to use cookies by the Website is deemed User’s permission to use of cookies. If User wants to withdraw permission to store cookies on his or her device, the User may do it in such a way that he or she on his or her own deleted installed cookies by properly using settings of used web browser. We inform that limiting use of cookies may prevent the correct functioning of the Website.

This Policy does not apply to other websites and companies which contact details are provided in the Website. If the Website contains links to other websites, the Company stipulates that it bears no liability for policy used by owners of the domains and websites.
